## Program & Sessions

The WC13 is already showcasing its global impact! We are thrilled to announce that **141 sessions have been submitted**, covering a diverse range of crucial topics:

- **Human health (56.5%)**

- **Education (15.9%)**
- **Environmental health (10.1%)**
- **Animal health (9.4%)**
- **and Other (8.0%)**

These impressive numbers highlight the congress's role in advancing science at the intersection of human, animal, and environmental health, while fostering transformative education. We extend our heartfelt thanks to everyone who submitted their ideas and contributions, helping us shape a truly rich and impactful event.
